What is 1st Saturday Devotion?

Offering reparation for the blasphemies and offenses committed against the Immaculate Heart of Mary.

How does one honor Our Blessed Mother through this devotion?

On the First Saturday of each month, during any five consecutive months of the year, do these four things, each as a fervent act of reparation to the Immaculate Heart of Mary for the blasphemies and offenses which Our Mother suffers through the sins of mankind: receive Holy Communion on the 1st Saturday Mass (this does not include the Sunday Vigil Mass on Saturday evenings); make a good Confession within 8 days of 1st Saturday; recite 5 decades of the Rosary on that 1st Saturday; and, meditate for 15 minutes on the mysteries of the Holy Rosary on that 1st Saturday.
