Parish Activity/Service Record

Keep a record of all activities or service events you participate in within our three-parish community. This includes being an altar server, helping with the food pantry, attending Youth Nights, going on youth group/parish trips, etc. By April 19th you should have participated in 4. You must get an adult supervisor to sign off on your participation for it to count – *not* your parent unless your parent is in charge of the event/activity.

For service in liturgical (Mass) ministries (such as being an altar server, in the choir, an usher, etc.): you must serve 4 times before getting the supervisor’s signature. For instance: you must altar serve 4 times, or you must sing in the choir 4 times.

Fill this form out (2 pages) and turn it in to Anna Albrittain when complete, or by April 19th.
